The chaplains were instrumental in making sure families were constantly updated and that all of their questions were answered in both a timely and efficient manner, to the greatest extent possible. They provided as much transparency and kindness as they could during this unimaginable tragedy. We cannot thank them enough.

They worked around the clock to ensure all recovered personal property and family heirlooms were treated with the utmost respect and with great consideration for faith traditions when recovering items of religious significance. So many came together, as one, in the relentless pursuit to save lives. We honor the precious lives lost and pay homage to loved ones and all those that have suffered immensely.

Our law enforcement officers put their lives on the line every day to keep Floridians, and this was no exception. Mr. SCOTT of Florida. Mr. President, I rise today to honor the bravery and selfless service of the individuals who responded to the building collapse in Surfside, FL, on June 24, 2021.

I want to thank all eight of Florida's Urban Search and Rescue Task Force teams from Miami-Dade County, the city of Miami, Hillsborough County, Central Florida, Northeast Florida, Southwest Florida, North Florida, and North Central Florida for responding when the Champlain Towers South condo building in Surfside, FL, suddenly collapsed in the middle of the night. They swiftly heeded the call of duty to assist in search, rescue, and recovery efforts following the collapse. In the face of tremendous tragedy, they ran into danger. They are heroes.

Florida's Urban Search and Rescue Task Force teams are deployed to aid communities following a natural or manmade disaster, and all eight deployed to Surfside to aid in the search, rescue, and recovery efforts. Nearly 370 urban search and rescue members worked on-site, making this the largest nonhurricane deployment in Florida's history.

Some of these responders lost family in the collapse; yet they still answered

the call. Rescue crews worked tirelessly, even when smoke and heat from a fire inside the building's standing portion hampered their efforts. They persisted when the temperatures escalated so much that some needed IVs to replenish fluids. They continued on when Tropical Storm Elsa passed nearby and dumped torrential rain. They left their families and faced dangerous and life-threatening conditions, and they never gave up hope. Their work to recover victims gave closure to so many families, and I am so proud of these Florida heroes.

I also want to thank Florida's Urban Search and Rescue Task Force teams dogs for their hard work to support search, rescue, and recovery efforts. Florida's Urban Search and Rescue Task Force teams are heroes who stepped up to serve the community in the wake of unprecedented and unimaginable disaster. Not only did they help lead the search, rescue, and recovery operation, they provided endless care and compassion to the families of Surfside and did everything they could to bring closure to those who lost loved ones.

We are incredibly grateful to Israeli Prime Minister Naftali Bennett for deploying the joint Israel Defense Forces—IDF—and Ministry of Foreign Affairs delegation to Surfside following the collapse. Israel Defense Forces Home Front Command operates search and rescue missions in Israel and around the world, aiding in rescue and recovery efforts for disasters. Using building information modeling tools and technologies and careful measurements taken on site, the Home Front Command was able to generate 3D digital models of the building before and after its collapse. This, combined with information gathered from surviving family members and friends, produced highly accurate information to help the search, rescue, and recovery efforts. Their efforts gave search teams from across the United States and around the world the most accurate and up-to-date information on where they should target their search efforts.

Israel responds immediately to emergencies around the world, and our gratitude is immense. Israel is a partner in every sense of the word. Their presence was greatly appreciated by the people of Surfside, the State of Florida, and the entire Nation. international counterparts with rescue and recovery efforts. In the face of tremendous tragedy, they ran into danger. They are heroes. They worked tirelessly and relentlessly to make sure that the needs of the community were met. We can never thank them enough for their bravery and determination.

The Israeli delegation succeeded in alleviating suffering and demonstrated what the Jewish state can mean to people thousands of miles away during the worst moment of their lives. The tragedy in Surfside shows the strength of the connection between American Jews and the Jewish state and that Israel is a great ally and friend to the United States.
